

## 📄 Prompt 1

Golden-hour street walk. You stroll casually through a narrow alley with colorful walls and string lights overhead. Mid-thigh frame, camera at chest level. Expression remains calm, face untouched, natural skin texture visible. Hair remains styled as-is. Warm sunlight falls softly on one side, casting long shadows behind. A cinematic peace radiates — vibrant, urban, yet grounded in realism.

---

## 📄 Prompt 2

Rainy urban night. You stand under a clear umbrella on a wet city street, neon shop lights reflecting in puddles. Shot from waist up, slightly to the side. Expression subtle and thoughtful — same as uploaded photo. Face size and skin tone untouched. Mist in air creates a dreamy, cinematic glow around your outline.

---

## 📄 Prompt 3

On a moving train, leaning near the window. Background shows a blur of trees and sunset. Mid-shot, natural lighting from the side. Your face, expression, and brown skin tone remain raw and authentic. Eyes reflect a journey mood, not altered. Shadows and highlights dance across your cheek in a classic travel vibe.

---

📄 Prompt 4

Seaside cliff at dawn. You stand still, full-body from a distance. Wind gently ruffles your shirt. Camera zooms just enough to maintain exact face size. Skin color glows slightly from morning light. The sea sparkles far below. A solitary, victorious aura — untouched identity in a scenic wide shot.

---

📄 Prompt 5

Studio-style fashion portrait. Plain black background, dramatic single-source soft light on your left. Framed chest-up. Your expression remains composed and real. Skin tone and face size

identical to your selfie. Shirt stays casual, like your original — cinematic vibe is strong and professional without digital polishing.

---

📄 Prompt 6

Village backdrop. You walk along a mud road, early morning mist behind you. Kids play in the distance. Shot three-quarter from the side. Skin tone, beard, and facial texture 100% real. Your shirt is the same type — only background shifts. A heartfelt, rustic Tamil vibe.

---

📄 Prompt 7

Night rooftop view with city skyline lit up behind. You stand leaning on a railing. Lights reflect off your cheek. Frame waist-up. Expression stays original, skin untouched. A slight breeze lifts your hair naturally. Cinematic neon tones blend in without altering your real look.

---

## 📄 Prompt 8

Sunflower field. You walk slowly, waist-up frame, camera following from behind and panning to front. Hair, face, and skin preserved exactly. Light wraps softly around you from behind. Natural glow, no color shift to your tone. Vibe is nostalgic and soft.

---

## 📄 Prompt 9

Temple corridor during festival. Oil lamps glow along walls. Mid-shot from eye level. You're walking slowly, hands at side. Your skin glows with lamp reflection. Face and features preserved exactly. Ambient sound would be bells and footsteps. Pure divine atmosphere.

---

## 📄 Prompt 10

Interior café corner. You sit at a wooden table, window light spilling onto your face. Book open in front of you. Mid-shot straight-on. Real expression — no artificial smile. Skin texture remains as per original. Background slightly blurred to give focus on you. A calm, soft-tone cinematic vibe.

## 📄 Prompt 11

Heavy rain scene under a streetlamp. You stand mid-frame, holding your phone, rain pouring around but you're unfazed. Water droplets glisten on your shirt. Camera captures from waist-up with soft yellow lighting on your face. No smoothing — natural skin tone and expression untouched. A deep “movie climax” feel.

---

## 📄 Prompt 12

You ride a cycle through a narrow village street at sunrise. Kids wave behind. Camera is side-angle, framed mid-thigh up. Your shirt has dust specks, face is natural with slight early morning sweat. Skin tone glows orange-gold from the sun. Real, raw, travel-documentary style.

---

### 📌 Prompt 13

Inside a moving local bus, you sit near the window, breeze ruffling your hair. Shot from the aisle, half-frontal. Camera captures face as-is — unchanged. The background shows motion blur. Expression: relaxed and calm. Light patches on skin from window grills add visual storytelling.

---

### 📌 Prompt 14

Bonfire night in the hills. You sit cross-legged near fire, warm glow on your face. Camera shot mid-shot from front, capturing real skin texture and calm expression. Hair and shirt remain same. Smoke curls into the night sky — full cinematic traveler vibes.

---

## 📄 Prompt 15

Standing in a narrow alley with bright murals on the wall, hand in pocket. Overhead string lights glow. Frame is waist-up. Natural shadows on your face. Skin untouched, original brown tone retained. A mild confident vibe — city street art style.

---

## 📄 Prompt 16

On a college corridor balcony, leaning on the railing. Background: red brick wall, distant greenery. Shot slightly above eye level, three-quarter angle. Outfit same, face natural. Mood is nostalgic — like a Tamil short film hero before the twist.

---

## 📄 Prompt 17

Under a flyover with sunlight filtering through concrete gaps. You walk mid-frame slowly. Camera shoots wide, but your face stays correct in size and expression. Shirt texture visible. Skin real and warm. A grounded, solitary action-sequence vibe.

---

#### 📌 Prompt 18

Late-night tea kadai setup. You sip from a glass tumbler, warm light from a street bulb highlights one cheek. Framed chest-up. Expression soft and real — same as uploaded image. No skin edits. Background slightly blurred for a cinematic focus on your face.

---

#### 📌 Prompt 19

Inside an empty cinema theatre, red seats all around. You sit sideways, lit by the screen glow. Profile view, expression unchanged. Shot mid-shot, no zoom. Face glows with bluish screen reflection. A moody vibe — like a music video frame.

---

## 📌 Prompt 20

Hilltop sunset silhouette. You stand still on a boulder, breeze fluttering your shirt. Camera captures from below, full-body. Only your outline is slightly lit. Skin tone visible through orange-pink side light. Identity and emotion untouched — peaceful, powerful presence.

---

## 📌 Prompt 21 to 30 (Emotional / Introspective)

21. Railway platform evening. You sit on a bench, train moving in background. Camera focuses mid-shot from side, your eyes steady. Face is untouched, shadows define skin texture. Vibe: heartfelt and lonely.

22. Inside a small temple, you kneel lighting a diya. Face lit naturally by flame. Skin glows gold, expression peaceful. Shot from waist-up with real facial detail.

23. Empty school classroom. You stand at the back, looking at the blackboard. Camera frames mid-shot, expression unchanged — as if remembering something. Natural shadows under eyes.

24. Rooftop rain scene. Shirt wet, hair damp. Camera close but not zoomed — face stays same size. Expression is silent pain. Background blurred city lights.

25. You walk across a hanging bridge in fog. Full-body shot. No emotion on face — same calm from your reference. Skin tone untouched. A quiet film climax vibe.

26. You stand beside a bus on a village road. Dust floats in air. Sunlight bounces off your brown skin. Mid-shot, raw, grounded look.

27. You sit on a concrete step with hands folded, staring into the distance. No pose. Light from the side, texture on face natural. Slight eye bags visible — not edited.

28. You look out from a balcony during a storm. Lightning flashes. Camera shoots from behind and rotates front mid-way — real, untouched expression.

29. A slow walk across a railway track in mist. Head slightly down. Waist-up frame. Skin retains original tone, texture visible under natural light.

30. You stand silently by a lake, reflection below. Mid-shot with face unchanged. Slight tear line under eye. Nothing altered. Emotional tone deep.

---

☒ Prompt 31 to 50 (Urban, Modern, Nightlife, Stylish)

31. Underpass street lights flickering. You walk forward in slow motion, camera framing waist-up. Face not retouched. Skin and features same. Drama vibes.

32. Near a metro train door, holding the rail. City moving behind glass. Face side-lit, preserved real. Outfit same as uploaded photo. Frame is mid-shot.

33. Rooftop parking lot with a sportbike. You stand beside it, hands folded. City lights twinkle. Full-body shot, keeping face small but exact.

34. Walk-in from an escalator inside mall. Glass lights shine above. Shot from ground up. Shirt unchanged. Facial texture crisp, no AI filters.

35. Urban rooftop party, string lights, friends blurred in background. You stand mid-shot with soda can. Calm face, same eyes and hair.

36. Walking across zebra crossing, sunset behind you. Slight lens flare touches cheek. Expression as-is. Skin tone preserved.

37. Old film theatre exterior. You walk out of the door. Neon lights glow above you. Expression natural, camera waist-up.

38. Auto rickshaw parking street, you lean on a yellow auto, camera captures mid-shot at side angle. Natural tone, Chennai vibe.

39. Cafe front shot — you standing outside, neon “open” sign next to face. Light adds pink hue, but tone untouched.

40. Bookshop interior with yellow bulbs — you browsing books, mid-frame from back then rotated to show face, same size and expression.

---

☒ Prompt 51 to 70 (Nature, Travel, Desi Vibes)

51. Standing in a rice field early morning, mist around. Full-body from side. Shirt blows in wind. Face size untouched. Original glow remains.

52. Sitting on a rock in a hill station, pine trees behind. Camera frames chest-up from front. Skin tone is warm, expression as uploaded.

53. Climbing a hill path with forest around. You look up, determined. Expression real, not posed. Face angle same. Light and shade realistic.

54. Village pond side in veshti and normal shirt. Mid-shot while standing under banana tree shade. Tamil desi aesthetic. Face untouched.

55. Walking across a dry riverbed at sunset, shirt flapping. Face at original size. Expression tired but natural. Sky orange glow.

56. Standing near an abandoned boat at the beach. Ocean behind, full-body wide frame. Hair same, face distant but real.

57. Leaning on a coconut tree, beach sand around. Camera mid-shot slightly from above. Face size and skin real.

58. Sitting on temple steps, casual smile. Lit with golden light from behind. Skin tone not altered. Beard texture same.

59. Under a banyan tree in village street. Sunlight filters through leaves. Shirt texture real. Waist-up frame, skin tone glowing naturally.

60. Crossing a hanging bamboo bridge with water flowing below. Mid-shot at side angle. Expression relaxed, natural shadows on face.

---

☒ Prompt 71 to 90 (Luxury, Classy, Fashion, Business)

71. Wearing a black blazer, inside a luxury hotel lobby. Warm lights fall from chandeliers. Framed waist-up, face kept exactly the same.

72. Seated inside a premium sedan, door open. One hand on wheel, other resting. Framed chest-up from side. Expression relaxed. Skin natural.

73. Standing outside a corporate building with laptop bag. Shirt neatly tucked. Mid-shot from slightly lower angle. Hair, skin, expression untouched.

74. You adjust your watch inside a high-end cafe. Close-to-mid shot. Skin retains natural texture, beard same as uploaded image.

75. Walking out of a co-working space glass door, phone in hand. Expression focused. Original face tone and size preserved. Lens flare adds drama.

76. Sitting in airport lounge near window, airplane blurred in background. Face lit by blue hue, shot from chest-up, same expression.

77. On a yacht deck, sunglasses on head, sunset behind. Camera three-quarter shot from side. Vibe: classy without changing facial identity.

78. Standing beside a luxury car at night, headlights on. Shirt tucked. Shot waist-up. Expression untouched, confident but natural.

79. Leaning on a marble pillar inside a museum or palace. Camera captures at chest height. Expression same, lighting warm white.

80. You enter a modern office elevator, back camera captures reflection on mirror. Head turns slightly. Face preserved exactly, skin tone ambient lit.

---  
  
📌 Prompt 91 to 100 (Cinematic / Action / Studio / Gym)

91. Gym environment — you lifting dumbbells, framed from side chest-up. Sweat visible. Expression strong. No face change. Muscles naturally lit.

92. Standing in front of punching bag in black tank. Dramatic red-blue lighting. Face framed same size, intense expression. No smoothing.

93. Inside a studio with black backdrop, spotlight on face. Shirt same. Natural skin texture visible. Framed mid-shot, high fashion tone.

94. Sprinting on a turf ground, captured side profile. Hair bouncing, shirt pulled by wind. Face unchanged, skin sweaty, full-body frame.

95. In boxing ring, arms on ropes, looking to the side. Waist-up. Hard light on left cheek. Expression preserved. High-drama sports pose.

96. Behind-the-scenes movie set look — you with camera crew, lights behind you. Shot mid-shot from front, skin tone unchanged.

97. Motorcycle scene — you on bike, helmet in hand. Night street behind, lens flare. Face preserved exactly, shot mid-shot.

98. Standing in front of a burning barrel (controlled fire), smoke rises behind. You stare into camera. Face real, cinematic expression.

99. Walking across construction site in action gear (

vest, boots). Sunlight glints off skin. No facial edits. Expression bold, same face size.

100. Spotlight performance scene — you center stage, shirt tucked in, hands spread wide. Light from above outlines your face. Expression unchanged, cinematic depth.
